

Is your dog home alone? Does your pup get excited as soon as you open the door? She probably does because she misses you; she's lonely and wants companionship as well as physical and mental stimulation.

La Niche Sante Doggy day care may be your answer. However, day care may not be appropriate for every dog, especially those that are aggressive or over protective. They must be able to interact with the other dogs and the family members.

La Niche Sante, day care work the same as a children day care, with a drop off and pickup time, with a safe and healthy interaction with other dogs and people in between. We also offer extended stays for those needing to get away for a week-end or vacation.

In a home environment with healthy conditions, lots of love , play and exercise. The outdoor play area, is fenced, limited space available so it's never overcrowded. Walks daily, usually lasting between 30 to 45 minutes. The dogs are not crated unless specified by the owner. They are with us at all times, day and night, the house is completely available to them, including couches, beds ect.

We require proof of current vaccinations, and good health.. We pick and choose the dogs to ensure the safety and well being of all animals. A trial afternoon is also available.
